

WHAT IS KEY CLUB?

Key Club is the oldest and largest community service organization in the world. It exists in over 5,000 campuses worldwide, and consists of around a quarter million members. It's a great way to make new friends, develop leadership skills, and help out the community. Have fun with friends and improve the community at the same time!

WESTVIEW'S KEY CLUB

Westview Key Club was the first club formed at Westview. Last year alone, we contributed nearly 7000 hours of service to the community. As part of the club, you'll participate in various community service projects around the San Diego area. These events can include, but are not limited to, community clean ups, canyon restorations, festivals, marathons and much more. Plus, Key Club looks great on college apps!
